Determine Your Core Values

Your values determine what is most important to you in your life.

When you start making decisions that align with your values, you take full responsibility for your life.

The choices you make today create the life you have tomorrow. Your virtues reflect your core being and how you operate as a person. Values and virtues work hand in hand with how you interact with people and why you work so well with some and not so well with others.

Here is a list of 96 Values. Circle 7 Values that are most important to you then prioritize your top 3 -5 core values.
